

SENSORY MAP

① This map represents an average sensory experience but this may vary at the time of your visit.

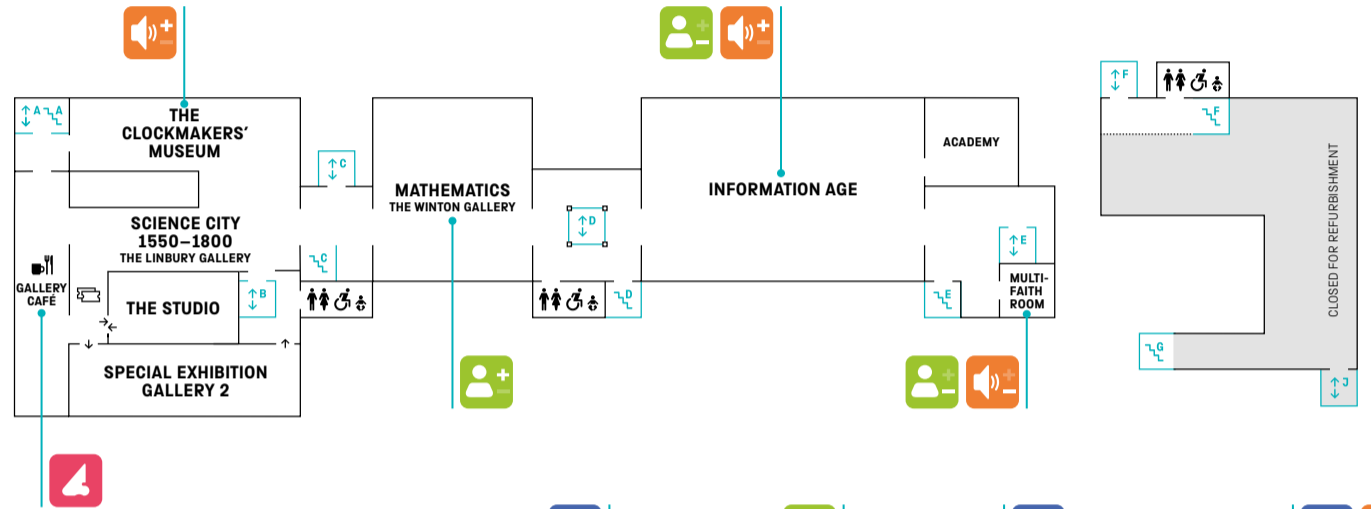

LEVEL 3

Engineer Your Future
Test your problem-solving and team-working skills by playing games in this interactive gallery.

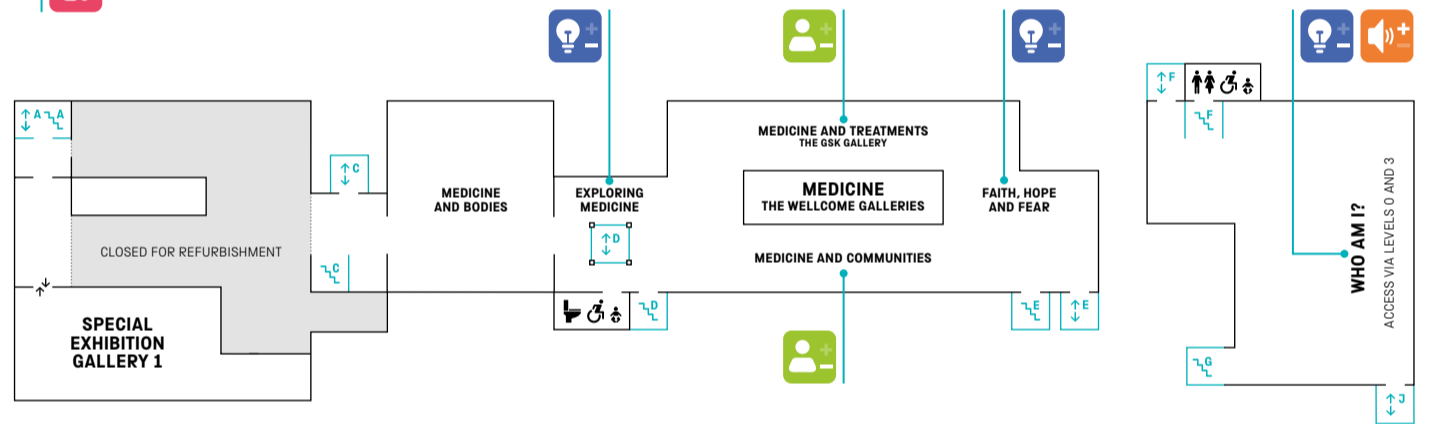

Wonderlab
The Equinor Gallery
See lightning strike before your eyes and much more in this fascinating interactive gallery. Demonstrations in this gallery tend to be noisy and bright.

Information Age
See and hear the objects that tell the story of the past 200 years of innovation in information and communication technology.

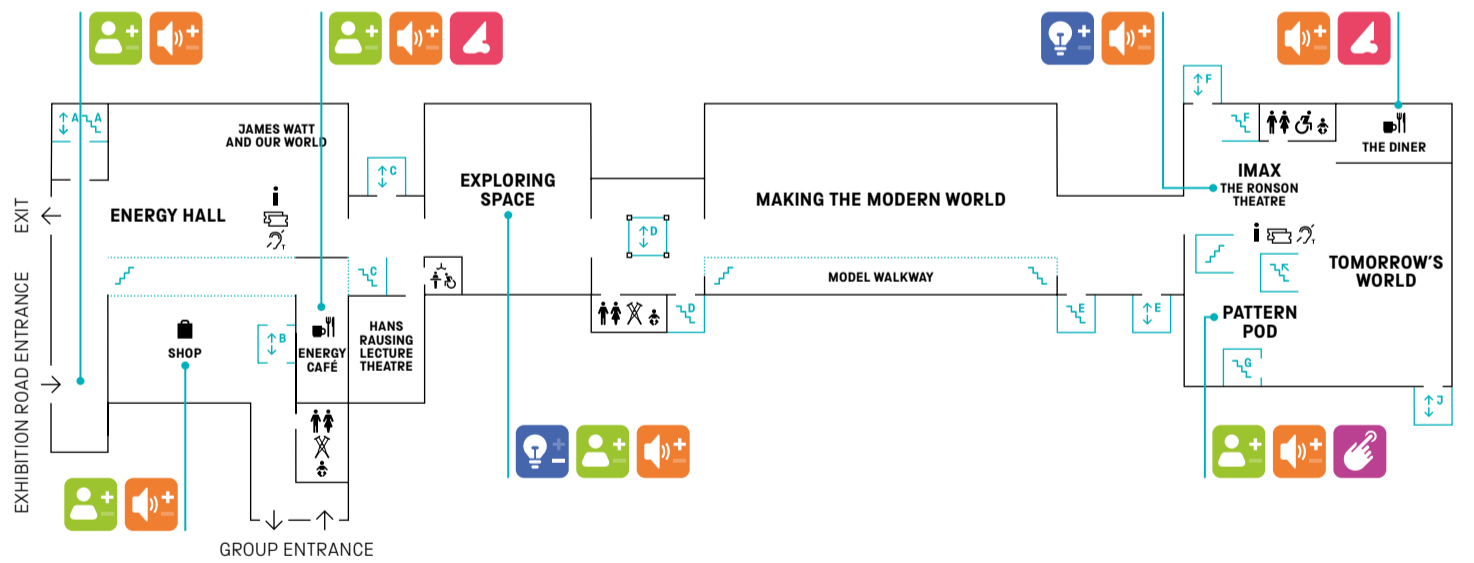

Who Am I?
Discover what makes you unique through intriguing objects, thought-provoking artworks and hands-on exhibits in this gallery.

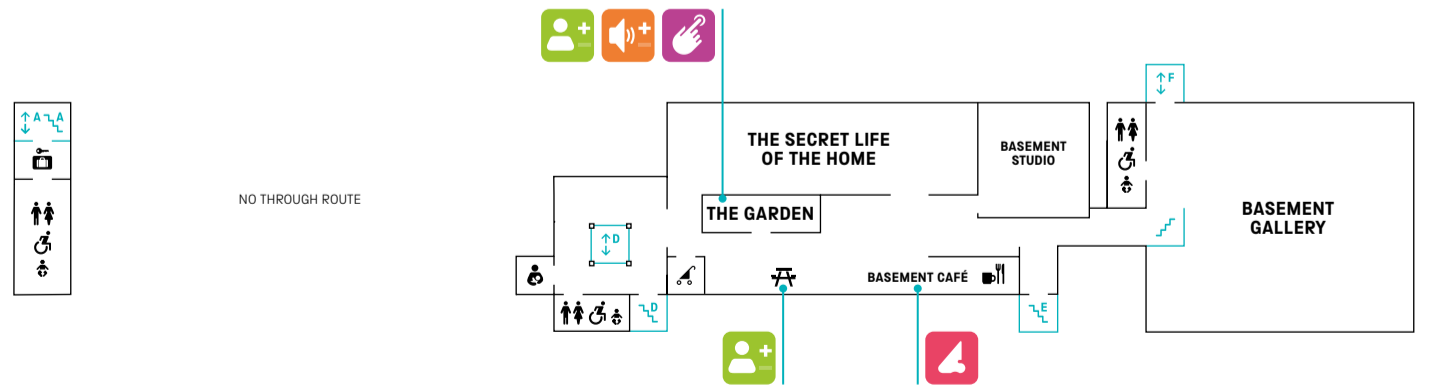

Energy Hall
Mill Engine demonstrations occur intermittently throughout the week. These can be noisy.

Making the Modern World
A loom demonstration occurs intermittently throughout the week. This can be noisy.

Pattern Pod
A captivating interactive multisensory area for children to explore.

The Garden
Let your little ones play their way through water, light, sound and construction in this interactive gallery designed for our youngest visitors.
